

# 2012 Oregon Seasons of Refreshing

The theme of the 2012 Seasons of Refreshing (SOR) is “**Growing Healthy Chapters**”. SOR 2012 builds upon the evangelism principles presented in previous Advanced Ministry Training.

SOR 2012’s focus is on providing inspirational and practical training coupled with easy to implement ideas for local CMA chapter growth. Members will learn how:

- CMA chapters fulfill the most important role in the worldwide outreach of the ministry of CMA
- A Healthy CMA chapter is balanced in its practices and approach to ministry
- A Healthy CMA chapter is dependent on the Holy Spirit, organized by a team of humble leaders, and successful in ministry through the efforts of members
- A Healthy CMA chapter is growing and active in ministry

**Growing Healthy Chapters** SOR will feature three brief video segments and a companion workbook supplemented by teaching from our region’s National Evangelist, Tom and Kathie Palazzolo.

Other special events include:

- Friday night snack and fellowship time immediately following session
- Thank you to Mark and Mickey Kemper
- Thank you to retiring region National Evangelist Joe and Judy Maxwell
- Drawing for a scholarship to be given to an Oregon active CMA member. This scholarship will help offset costs to attend Changing of the Colors Rally at Iron Mountain in Hatfield, Arkansas October 17-21, 2012
